2017 Mountadam

High Eden

'The Red'

Mountadam Vineyards High Eden range is the selection of the best parcels of fruit from the Estate. 'The Red' has traditionally been a blend of the best Cabernet Sauvignon, Merlot or Shiraz fruit from the Estate. In 2017 the best fruit from the Estate resulted in a blend of 67% Cabernet Sauvignon and 33% Merlot.

The Cabernet fruit was sourced entirely from the Reynell clone in block 21 on 26th April 2017 at 13.9 °Be. The Merlot was sourced from block 35 on 18th April at 14.2 °Be.

The parcels were vinified separately in small closed static fermenters with the optimum blend being carried out post malolactic fermentation.

Oak maturation was carried out in 100% new tight grain French oak barriques for a total 24 months.

Bottled : 4th March 2020

pH/TA: 3.4/6.6

G&F: 0.4 g/L

Alcohol : 14.0%

GI: High Eden, Eden Valley
