VINEYARDS

***2019 Mountadam***

***Barossa***

***Five-Fifty Shiraz***

The Mountadam Vineyards Five Fifty range is aptly named after the Estates altitude of 550m above sea level. All Mountadam wines (including the Five Fifty range) are sourced entirely from our Estate of 147 hectares undervine. The Five Fifty range offers amazing quality for price value being made from Mountadam's 2001 and 2002 Shiraz plantings.

Fruit was harvested between the 3<sup>rd</sup>-13<sup>th</sup> of April 2019 from blocks 23 and 41 on the Estates Eastern vineyard at an average of 14.2 °Be.

The fruit was destemmed in the winery with 10 days on skins in stainless steel fermenters. Pulse air was used during fermentation for cap maceration. Fermented through to dryness, the wine was then matured in seasoned French oak barriques.
